A Knight in action

STUDENT SPOTLIGHT

Destini Salas '19

Meet one of our fabulous seniors!

AT THE 426

A common sentiment that has transcended throughout the rich history of our school was the notion of family. I can remember being a 7th grader in 1986 as the Holy Cross Brothers unveiled the campaign, “We are Family on San Felipe and Around the World”. The concept of family was evident down the halls of the school as several members of my own family were fellow Knights, but around the world? I soon discovered that our little piece of heaven on San Felipe was connected to over 22 schools in the United States and 7 others across the world. This realization placed things in perspective for me and it became clear that the Holy Cross mission was very powerful.

That same mission, although different from my experience as a student, is still as strong today as it was when we attended Holy Cross. In fact, I believe it is just as strong as when our founding fathers formed their vision of it so many years ago. With this strong foundation and the example of the brothers who taught us over the years, we make it a priority at Holy Cross to show students how important the impact is of our founders, Fathers Jacques-François Dujarié and Basil Moreau.

You matter at Holy Cross!

From the times of post revolutionary France to the current era, their vision has influenced young lives to bring about better times in the world around them. Here, at Holy Cross, we accomplish this through our 426 tenets of **FAITH, RESPECT, PRIDE, AMBITION, INTEGRITY,** and **WISDOM** -- and embodiment of our mission that our Knights have embraced wholeheartedly and live each day.

Throughout our history, the mission of Holy Cross has been clear, to “*make God known, loved, and served, and thus save souls.*” This mission can only be realized with your help. I encourage you to get involved with Holy Cross. There are several opportunities to stay connected. Whether you prefer donating time, resources, or just spreading the good word about our school, we need our alumni to be active in our shared mission. So, consider this an invitation to come home to 426 N. San Felipe, or, if you are far, follow us on social media to see all the good things happening at Holy Cross.

The 300 Founding Members of the 426 Scholarship Program
can be found in the first Edition of The 426.

Class of 1967

Mr. S. Clarke Webre, Jr, is a member of the class of 1967, one of the charter members of the 300 Club, a founding member of the HCSA Endowment, and a proud member of the 426! After graduating from Holy Cross, Mr. Webre graduated from UT Austin in 1971 and then embarked on a 35 year career with Allstate Insurance. For over 9 years, Mr. Webre has owned and operated the Webre-Sherrill Insurance Advisors Agency. His daughter, Estelle, comments that he is a loving family man to his wife of 36 years, his three children, and one granddaughter. She goes on to say that his care and concern does not stop with his family as he has been very generous with his clients as well - sometimes paying their utility bills when they are in need or accepting their skilled labor in exchange for insurance premiums. Thank you, Mr. Webre, for being a great example of a Holy Cross Knight.

Senior Year 1967

DESTINI SALAS CLASS OF 2019

Senior Destini Salas is a two year Our Lady of the Lake Dual Credit Student and since she was a freshmen has been a member of the Holy Cross Academic, Cross Country, Basketball, and Track teams. She has gone on to earn many honors in these roles but, most notably, she finished in the top ten state speakers in TAPPS competition in both prose and poetry interpretation. This year she has her eye on first place in both.

While she has been busy competing, she has maintained a rigorous schedule of courses to include some of the most challenging we offer: Dual Credit (OLLU) English, Government, Spanish, and Economics; AP Calculus; AP History; and, AP Physics.

All of this has led to academic and athletic scholarships from OLLU that will completely cover her tuition all four years. This is just the beginning for this ambitious young lady as the scholarships continue to roll in.
