

Dear Families,

Mrs. Patty Gutierrez, a parent to two Holy Cross students, has volunteered to head up an Aramark program for the school. Mrs. Gutierrez has past experience with Aramark and has seen the benefits of working in this program. The Aramark program provides families with opportunities to work concessions at different events held at such places like the Joe Freeman Coliseum, Alamodome, AT&T Center and Verizon Wireless Amphitheater.

This program has been used at several Catholic schools throughout the city and there is a lot of praise for this program because the time you put into working the events helps pay your child's tuition. In some instances it can pay for the entire tuition!

If you wish to enroll in this program please contact Ms Gutierrez.

-----DETACH AND RETURN-----

I have read the above information regarding the Aramark program. I am aware of the potential tuition assistance that can be gained from participating in the Holy Cross Aramark program. Please sign and return this portion of the letter to Mr. Eddie Cedillo at your earliest convenience. Your quick response would be greatly appreciated.
