WELCOME TO THE 426

Welcome to the first edition of The 426. This digital newsletter will keep our alumni and benefactors abreast of all the wonderful things that are occurring at Holy Cross. Every edition will be comprised of three sections: a section dedicated to Holy Cross news; a highlight of a recent 426 member; and, a spotlight section on a current student who is doing great things at Holy Cross.

THE 300

Our alumni has been a constant source of support over the school's existence. Recently, eighty nine graduates and friends of Holy Cross stepped up again to provide financial support and will be forever known as THE 300! Because of their generosity, the 300 Initiative, collectively, contributed \$144,466 to help maintain the operations of the school during the inception year of the three-year initiative.

Now, following the example of THE 300, it is time for the rest of our community to give back as they have so graciously done. By now, you must have heard of the 426 Scholarship program and it is designed to accomplish this goal. These numbers, 426, are literally the digits of our street address, but they represent so much more. To our students, they are a powerful reminder of some of the tenets Holy Cross Students have come to know since 1957 -- Faith, Respect, Pride, Integrity, Ambition and Wisdom. To our alumni and all those who hold Holy Cross close to their hearts, we hope it is a call to action.

Understanding the realities of tuition, we are asking our alumni and benefactors to donate to this scholarship program by signing up for a monthly donation of \$35.50. This will add up to \$426 a year in tuition assistance to be used for the 2019-20 school year. These donations will be specifically earmarked for tuition assistance in order to make it affordable for all academically qualified students.

On the next page you will find the list of current 300 members. We are indebted to them for their selfless act of generosity!

Class of 1999

Dr. Frank Zavala was the first Knight to sign up to be a 426 member! As a graduate of the class of 1999, Frank earned his bachelor's degree from UTSA in 2002 followed by his master's degree in 2004 and his Doctorate in Education from Walden University.

Thank you Dr. Zavala for donating to the 426 Scholarship Program!

GILBERT SALAS CLASS OF 2020

Junior Gilbert Salas has had an eventful few months. He took part in Holy Cross's very first dual credit summer school course with OLLU - Our Lady of the Lake University in Spanish and received an A. This school year he is taking another 12 college credit hours. At this pace, he is well on his way to earning 36 college credit hours by the time he graduates from Holy Cross.

Athletically, he has led the Holy Cross Knights (as quarterback) to being the #1 Catholic HS Football Team in San Antonio.

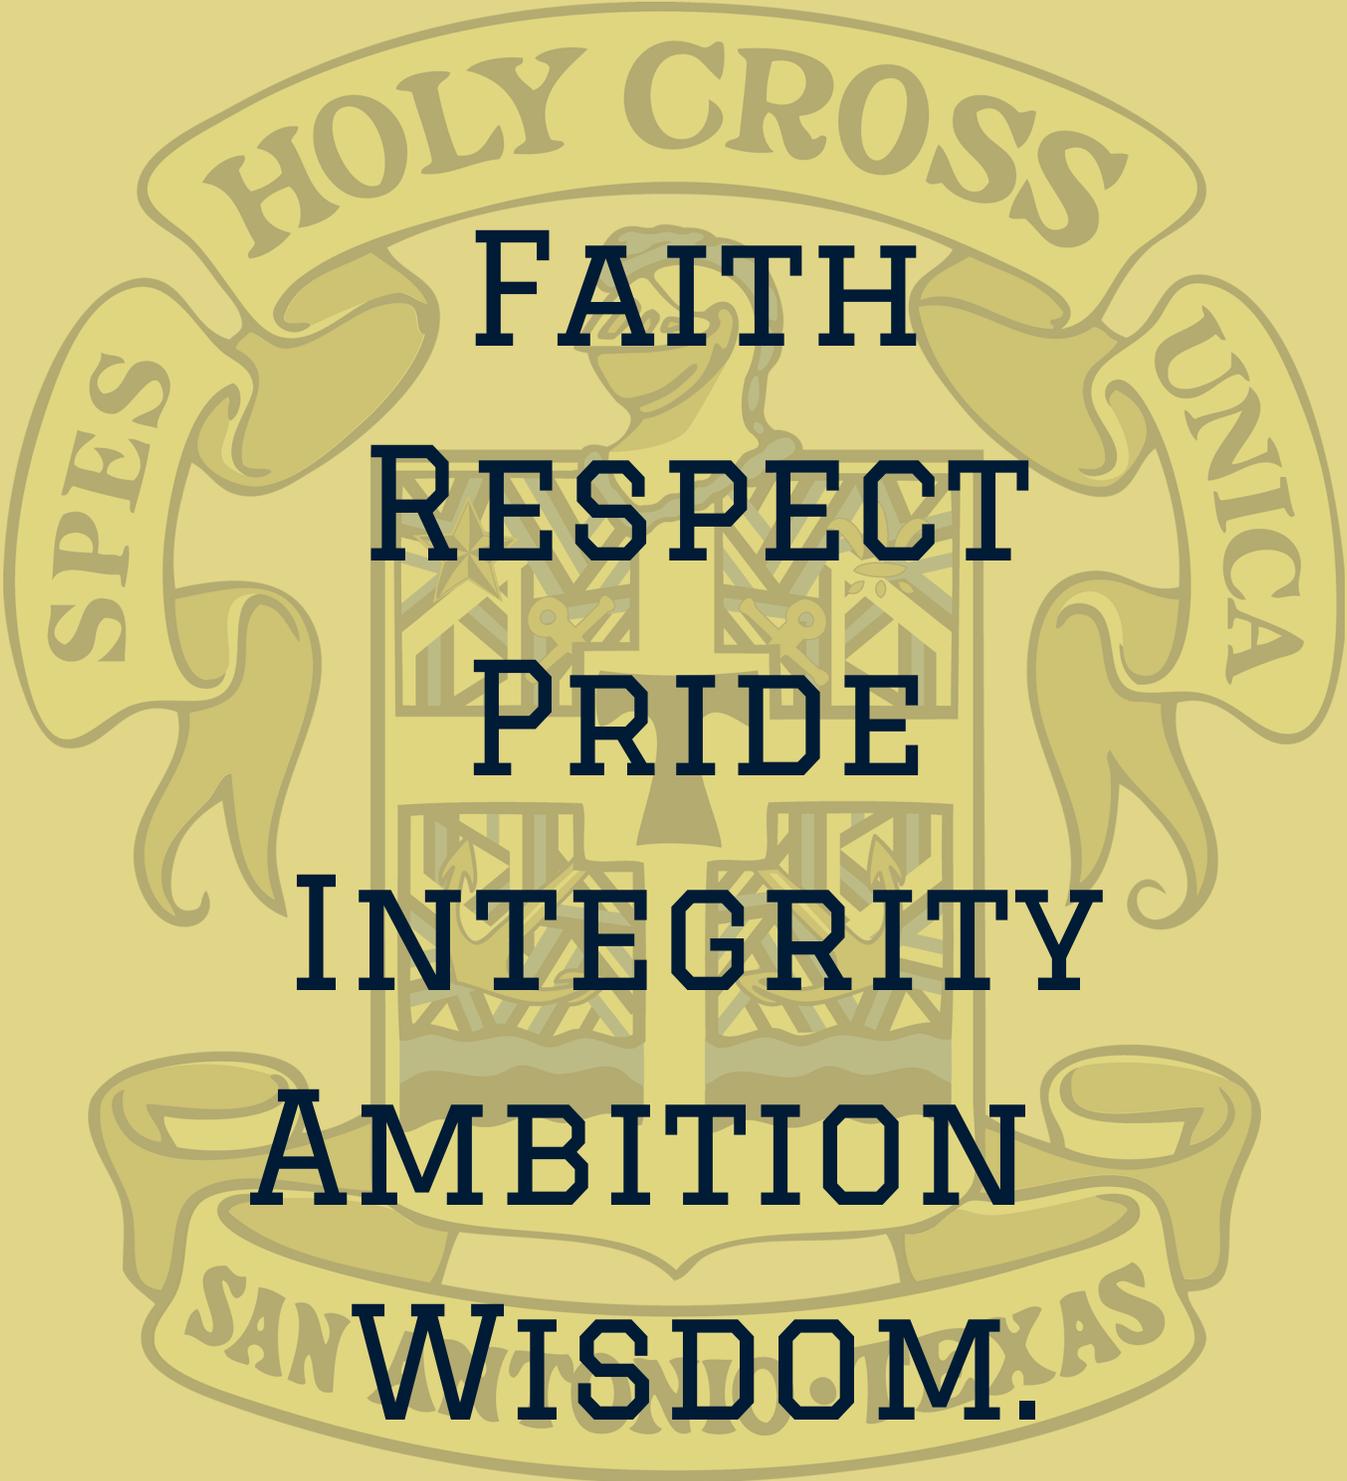

Awesome work Gibby!! Keep it up.
